

# YOUNG WOMEN'S HUB

---

Educate. Nurture. Inspire.

## **SEND Information Report**

The SEN Information Report was reviewed and updated on 1st October 2021

Our school recognises there are particular groups of students whose circumstances require additional consideration by those who work with them to support their SEN.

At the Young Women's Hub, we ensure all teachers in school understand the implications for those children who are looked after and have SEN. At the Young Women's Hub, we ensure that all student's, regardless of their specific needs make the best possible progress.

At the Young Women's Hub, we recognise that all students are entitled to a quality of provision that will enable them to achieve their potential. We believe that every member of the school community is valued as a child of our community. All are welcome and are encouraged to use their gifts and talents to contribute to the happy and caring environment we strive to create. We seek to develop the highest levels of academic achievement and personal well-being within a loving yet challenging context. We aim to provide a stimulating learning atmosphere in which the potential of all can be realised. We recognise and cherish our role within the wider community and seek to build strong links between home, school and local community. Our vision to nurture the students on their journey through life so they can grow into safe, caring, democratic, responsible and tolerant adults who make a positive difference to British Society and to the world.

We believe in positive intervention, removing barriers to learning, raising expectations and levels of achievement and working in partnership with other

agencies in order to provide a positive educational experience for all our students including those with special educational needs or disability.

At the Young Women's Hub, we are committed to the equal inclusion of all students in all areas of school life. We recognise the diverse and individual needs of all of our students and take into account the additional support required by those children with Special Educational Needs and Disabilities (SEND).

This SEND Information Report should be read alongside the school's SEND Policy, the Equalities Information and the Accessibility Plan.

## Key Contacts

- Philippa Wall-Head of School

## SEND Admissions

For information on the admission of students with a disability, please visit the School Admissions section of our website and view the **Accessibility Plan** in our School Policies section.

If you would like to discuss your child's SEN in more detail please contact the school to arrange an appointment.

The full range of local support available for children/ young people with SEND and their families within and outside of school can be found in the Lewisham Local Offer.
